Greetings from Bangalore!

Dear Friends,

It is with immense pleasure that we invite to you all to be a part of the 'Gunasheela Memorial Conference' being in Bangalore from the 13th to the 15th of October 2017.

**Dr. Sulochana Gunasheela** was a pioneer in both Infertility and in Obstetrics and Gynecology. **The first ART baby in South India was created in Gunasheela Hospital in 1988. This conference is a dedication in her memory as she left us in September 2012.**

Many eminent international, national and state speakers are associated with the conference and will come together to share their knowledge and expertise to help further our science in the field of women's health.

The theme of the conference is **Infertility and High Risk Obstetrics**, which are the topics of current interest. The program is as follows:

Day 1- 6 workshops will be conducted

Day 2- Conference on High Risk Obstetrics and Infertility

Day 3- Conference on High Risk Obstetrics and Infertility

## HIGH RISK OBSTETRICS
